

The Demons Among Us

By Jill K Willis

Interview Questions

1. What inspired you to write teen fiction, and this story in particular?
2. What are you hoping will be the main takeaways for your teen readers?
3. You deal compassionately with some difficult topics, like drug abuse and alopecia. Do you have any personal experience with some of the issues your characters faced?
4. Deception is a major theme in this story. Do you think teens are especially susceptible to deception? In what areas?
5. In your book, the main characters have to sort truth from lies and figure out whom they can trust. In a time when teens are hearing so many voices, how can they discern to whom they should be listening and trusting?
6. Another theme in your story is learning to choose joy. Can you elaborate on this?
7. The main characters suffer through some traumatic experiences and at times feel defeated. The battle we face against evil can feel insurmountable. What can we do to remain hopeful?
8. One of your characters chooses to follow Satan out of concern for his parents. Do you think Satan can use our good intentions for evil?
9. For those who are interested in the reality of the spiritual realm, do you have any resources that would be helpful in learning more about angels and demons?
10. How can readers connect with you to learn more and get a copy of your book?
