## Happy New Year!

Please know how much I appreciate your support of me during this roller coast of a year. May God bless you and your family in 2022. I'll be praying for your good health, safety, and happiness.

## Will you please be #25?

I'm thrilled that *The Demons Among Us* has received 24 reviews on Amazon. With one more review, Amazon's automated ad platform will promote the book. If you've read *The Demons Among Us* and liked it, would you please provide the 25th review on Amazon? And after 50 reviews, Amazon will accelerate its ads to a higher level.

## New Year's or New Years?

With terms like "New Year's Eve" and "New Year's Day," the apostrophe indicates possession. So it would be correct to write:

*Atlanta canceled its **New Year's Peach Drop**.*

*What are your **New Year's resolutions**?*

Without the apostrophe, "New Years" is plural, which means you're referring to more than one year. You'd write:

*We've spent the last three **New Years** with friends.*
